

## Why not you?

## Why not today?

### Four Oaks Foster & Adoptive Family Connections

Letting foster children stay in their own communities provides support of teachers, coaches, neighbors and friends. Stepping up and becoming a foster or adoptive family gives children the chance to succeed.

Four Oaks Foster & Adoptive Family Connections works with adoptive and foster care families to make a positive difference through licensing, training and support.

We can help you make a difference. Contact us to find out how.
