

Teresa S. Schlichting, Principal

Brittni Molstead, Associate Principal

Dear Lincoln Intermediate Families,

First and foremost, we want all of our Lincoln students to know that we care about you and hope your families are doing well during these challenging times. We are very concerned about the health and well-being of our students and their families. We miss seeing you and supporting you at Lincoln, this certainly was an unexpected extension to our Spring Break.

Our district leadership has been working through a very strategic process to ensure the basic needs of our families are being met. Please know that support is still available to ALL Mason City Community School District families. If you need support in securing meals for your children, grab and go lunches are available through this week and starting twice weekly (Monday and Wednesday) on Monday, March 30th. The meals can be picked up between 11a.m. - 1p.m. at Harding and Roosevelt Elementaries. Deliveries can also be available to families by reaching out to Sarah Mariner, Food Service Supervisor at 641-421-4501. Please visit the school website for more information and directions about the food program.

We miss our students dearly and want to be of support to them and your families in any way we can. Some teachers have reached out with optional activities their students could be doing while we are on this break from school. District committees are working on activities all students can access. More information will be coming on this next week.

We are very hopeful we will return to school on April 13th and we are planning for this return to be a success. Most importantly, at this time we want you to know we care about you and we are here to help. We are Lincoln- and together we are a very strong community!

Even when we are not in school our teachers like to have a little fun and would love for all our students to enjoy this video- [We Are Lincoln Vid](#)

Please let us know how we can help!

Sincerely,

Teresa S. Schlichting

Brittni Molstead
