

Roosevelt Families-

The Mason City School District is taking steps to organize and deliver optional educational resources to all students. At Roosevelt, teachers have been sharing optional resources throughout the closure, so you can continue to expect to communicate with teachers as you have been. Starting next week, academic resources at each grade level will be developed and shared with all families in the Mason City School District. It has been determined that students in Kindergarten, 1st, and 2nd grades will have academic resources mailed home in paper form. Students that are in 3rd and 4th grade will have academic resources shared through the internet. To ensure that students in 3rd and 4th grade have access to a device to complete work, Roosevelt will be checking out Chromebooks and cords to 3rd/4th grade students. We will record which Chromebook is assigned to be able to be returned at a later date. **If your student already has access to a device to complete work, you DO NOT need to come in and pick up a chromebook.** Chromebook checkout will be along the east side of the parking lot in front of the main entrance to Roosevelt on Thursday, April 9th, from 11:00 AM to 6:00 PM, and Friday, April 10th from 7:00 AM to 2:00 PM. If you are picking up a Chromebook, please stay in your vehicle at time of pickup. A staff member will be waiting at the curb and will hand the device to you. If you need a device delivered, please email Mr. Arjes at: [darjes@masoncityschools.org](mailto:darjes@masoncityschools.org) and that will be scheduled. We are taking precautions to be sure that devices will be handled and transferred in the safest way possible. Please see the guidelines below. If you answer yes to any of the COVID-19 Screening Questions and would like a device, please reply to this email and a device can be safely delivered.

1. Have you in the past 14 days traveled internationally?
2. Have you in the past 14 days traveled outside of Iowa?
3. Have you in the past 14 days been in contact with someone diagnosed with or quarantined for Covid-19?
4. Have you had a fever (temp greater than 100.4 degrees F) in the last 3 days?
5. Do you have a cough?
6. Do you have any shortness of breath?

Again, please remember that all work opportunities as well as Chromebook pickup is optional and completely up to you and your family at this time. Please continue to let your teachers or myself know if there is anything we can do to help. I will be following up again soon with further explanation and information about the academic resources you will be receiving. Thank you, and stay well!

Mr. Arjes
